e way Secure Transaction Gateway

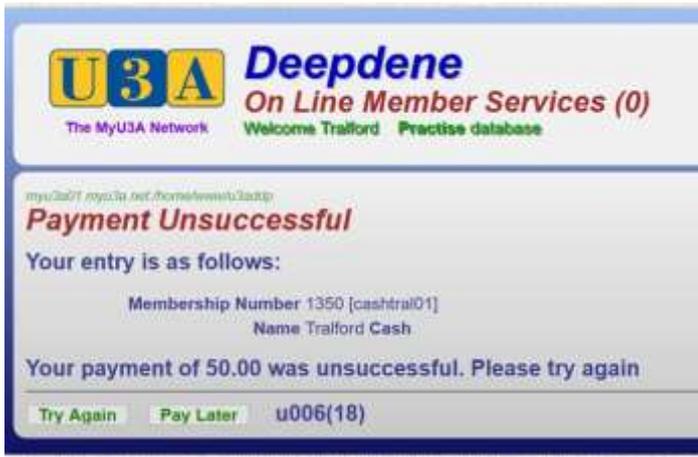

Clicking on Pay now will result in the following screen from eWAY that is usually up for just a few seconds.

If the payment succeeds you will next see a screen similar to that below – and you will receive an email from eWAY confirming the transfer

If the payment is not successful – wrong entry details being the most likely cause, the following screen is displayed - with the option to try again immediately or later.

If you forget to enter one of the required Credit Debit card details the help pop-up is quite good detailing what Item you had not entered –
